SPONSORS OF  
TODAY'S MATCH

# Editorial

For the second season Bolton Wanderers are being supported in a practical way by the Barr Soft Drinks Group, largest specialist soft drinks manufacturers in the U.K. whose products include Tizer, Jusoda, Strike Cola and Scotland's top selling Irn-Bru.

Barrs have branches nationwide including one at Edmonton, and as an extension to the agreement with Bolton are sponsoring a number of Wanderers' away fixtures this season including today's match.

The Company have always been pioneers, both within the soft drinks industry and in leading the way with soccer sponsorship in the U.K., and the Chairman, Mr. Robert Barr, is keenly interested in a wide range of sports.

Only recently Don Revie stated his views on sponsorship, and there are others like him who believe that sponsorship has an increasingly important part to play in helping to keep soccer clubs alive and financially viable.

The Barr/Bolton association is a practical working example of how it operates, and Bolton and Barr could well be blazing a trail which could be followed in a big way.

## WELCOME SPONSORS

We are pleased to welcome representatives of the Barr Soft Drinks Group to this evening's game.

This is the first time that one of our home matches has received sponsorship and we thank Barrs for their financial assistance and hope that they may be the first of many sponsors to support in this way.

## NEW SIGNINGS

The first ten days of the month saw major changes in our playing staff. After the transfer of Gerry Queen to South Africa and Laurie Cunningham's move to West Bromwich Albion, striker Joe Mayo and midfielder man Allan Glover from Albion joined Orient.

Gerry Queen's move was mentioned in our last edition but Laurie Cunningham left the Club after we went to print. Supporters will of course be disappointed at Laurie's transfer because players of his ability are rare. However, our loss is West Bromwich Albion's gain and we wish him the very best of luck in the First Division.

We welcome our new signings — Joe Mayo who joined Albion from Walsall and was a regular member of their promotion side last season — Allan Glover was with Queen's Park Rangers as a youth player and made 4 senior appearances for Rangers prior to moving to the Midlands and making close-on a hundred outings in Albion colours. We wish them both every success with the "O's".

## INJURIES

Our injury problems reached serious proportions again last week when our playing strength was a mere nine fit senior players prior to the match with Millwall. Youngsters Terry Glynn and John Chiedozi made their first League appearances in the local "derby" and Youth Coach Alan Stephenson was again called upon as substitute. The only other senior player available — apart from reserve 'keeper

John Smeulders — was David Payne who played his first game for several weeks in the reserves that evening.

News on the other injuries is encouraging. Derek Clarke is on a course of remedial work and should be back in training soon. Phil Hoadley and Derek Possee were hoped to be fit for tonight and Mike Everett returned to action at the week-end. Peter Allen and Henry Hughton are both troubled with ligament strains and were joined on the injury list by Billy Hurley, who sustained a hair-line fracture of the fibula in last week's reserve game at Bristol and will be out for a week or two. Young defender Terry Emanuel has had a cartilage removed and will soon begin remedial work.

## PROMOTION CANDIDATES

Our visitors Bolton Wanderers are again well-placed in the race for promotion. Prior to their visit to fellow contenders Blackpool on Saturday they occupied second place with 38 points from 28 games — only a point behind leaders Chelsea with two games in hand.

Coincidentally Wanderers have signed Ray Train from Sunderland to help in their bid for the top. Last season Train joined Sunderland from Carlisle — almost exactly a year before moving on to Bolton — making his debut at Orient and helping his club gain promotion!

## CALLING ALL BOLTON SUPPORTERS

The London Branch of the Bolton Supporters Club invites all 'exiled' supporters in or around the London area to join them on their organised travel to Wanderers' games. A coach leaves London for most home and away matches. For details please contact — Harry Gordon, 92, Makepeace Mansions, Swains Lane, Highgate, N.6. Tel. 01-340 1322 or H. Betney, Burnden Sporting Club, Burnden Park, Bolton. Tel. 0204 24518.

## JUNIORS FREE FOR RESERVES

In future children accompanied by an adult will be admitted free to Football Combination matches. Adult admission remains at 40p to Stand and Enclosure.

## TON-UP VIC

In our recent home match with Oldham Athletic, former Orient striker Vic Halom netted his 100th League goal. It was appropriate that the landmark should be reached against one of his former clubs and he received the ball to mark the occasion. Vic's goals have been achieved with the following clubs: Charlton Nil, Orient 12, Fulham 22, Luton 17, Sunderland 35, Oldham 14.

## Reserve Review

Last Tuesday the Combination Team visited Bristol City and against a side that included many players with Division One experience our young team, with two schoolboys and two non-contract players in the line-up, gave a good account of themselves despite going down 1-5.

David Payne making his first appearance after injury joined John Smeulders in defence and were the most experienced members of the squad that included John Blyth and Stuart Reynolds from Thetford.

**8th March v Bristol City (a) Lost 1-5**

## BOLTON WANDERERS

*Back Row (left to right) Peter Thompson, Peter Reid, Garry Jones, Roy Greaves, Mike Walsh, Brian Smith, Paul Jones.*

*Middle Row: John Byrom (now Blackburn R.), Sam Allardyce, Barry Siddal (now Sunderland), Andy Slack, Peter Nicholson, Neil Whatmore, Alan Waldron.*

*Front Row: Hugh Curran, Steve Taylor, John Ritson, Willie Morgan, Tony Dunne.*

**JIM McDONAGH** — Goalkeeper. Joined the Wanderers at the start of the season on a month's loan from Rotherham United. Impressed, and was signed for a £10,000 fee as cover to Barry Siddall. He got an immediate promotion with the transfer of Siddall to Sunderland. Jim is not tall for a goalkeeper but makes up for this with agility, bravery and a very safe pair of hands.

**JOHN RITSON** — Full Back. Club skipper, John was born in Liverpool and came to Bolton from schoolboy soccer. Graduated through the junior sides and is now a strong defender who likes to attack down the flank.

**TONY DUNNE** — Full Back. Eire international who played for most of his career with Manchester United. Was a member of the European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

**ROY GREAVES** — Midfield. Roy has completed 10 years with the Wander-

ers and had a testimonial game in the close season. He is a non-stop worker in midfield and is one of the few locally produced players to join Bolton.

**PAUL JONES** — Centre Half. Born in Ellesmere Port, Cheshire. Paul has been called on by England boss Don Revie to join the Under-23 squad — last season he had a trip to Budapest with them. He is a commanding player in the middle of the defence and is very good in the air. Over 200 League appearances.

**SAM ALLARDYCE** — Centre Half. Born in Birmingham, Sam was one of the Club's "finds" of last season. It was his first full season and he emerged as an outstanding defender and was voted "Player of the Year" by the Wanderers' supporters.

**WILLIE MORGAN** — Winger. Started his career with Burnley then moved to Manchester United for a big fee. He returned to Burnley and was signed by the Wanderers towards the end of

last season. A Scottish international and member of the Scotland World Cup squad in Munich in 1974.

**NEIL WHATMORE** — Striker. Strong attacker with a flair for scoring goals. He hit 13 goals last season to become the club's joint top scorer. Is good in the air.

**GARRY JONES** — Striker. Manchester-born Garry had his best season for some time last year scoring 13 goals. He is a strong running attacker who has the ability to put pressure on defenders.

**PETER REID** — Midfield. Another young player who came to the fore last year. Peter was discovered playing for Huyton schoolboys and graduated through the junior sides to win a regular place in the first team. Reads the game well and is a fine passer of the ball.

**PETER THOMPSON** — Winger. Peter is the former Liverpool and England winger who has won most of the honours in the game. A very tricky player, he is another player who is a firm favourite with the supporters.

**STEVE TAYLOR** — Striker. Born near Oldham, Steve got his first team chance this season mainly due to injuries. He seized the chance well, quickly becoming the club's leading scorer. He is a strong, aggressive player who is good in the air and with a good turn of speed. Steve joined the Wanderers from school and graduated through the club's junior sides.

## Puzzle Corner

A week ago last Saturday the Colts emerged 1-0 winners from an evenly contested game with Charlton bringing them two South East Counties League points and success in their initial defence of the London Youth Cup — which the "O's" have won twice in the past three years. The match "doubled" as a cup and league fixture and John Chiedozie's winning goal brought the Juniors' points tally to five from their last three league games.

**5th March v Charlton Athletic (H) Won 1-0.**

*Holmes, Henney, Scanes, Bright, John Kane, Banjo, Chiedozie, Johnson C., Hurley, Glynn, Godfrey. Subs: Jimmy Kane, Cousins (H.T. 0-0). Scorer Chiedozie.*

# Girl Talk

Where have all the women gone? There is becoming a noticeable lack of women behind the scenes at Orient.

While more and more female fans are flocking onto the football terraces fewer and fewer seem to be turning up in the club room. It doesn't seem long ago that all the player's wives were a familiar sight at Brisbane Road. Now many of the team are too young to have wives and those who are married just don't bring their women-folk along.

Jill Allen, Sian Fairbrother, Jill Brisley and Lynn Goddard had their own social gathering before and after matches. Now three of their husbands have left the club and Jill Allen rarely comes to games as she lives in Brighton and has a two-year-old daughter Samantha to look after.

Another regular was Patricia Queen but now she and Gerry have emigrated to South Africa with their young sons Warren and Gerrard.

Karen Payne, who could always be found at home matches, now only comes occasionally because of her three children Nicola Louise who is nearly two, four-year-old Graham, and five-year-old Julia.

Even Sue Roffey hasn't been recently because of work at the couple's new North London home.

Other wives including Cathrine Jackson, Geanne Whittle and Lynn Alder have never been football followers.

The only stalwart is Mandy Hoadley who still turns up as often as possible at Brisbane Road although she has two sons, two-year-old Danny and Tommy aged six months. And her father is a familiar follower both home and away.
